

'PINCH HITTER' RULE IMPLEMENTED SEASON 33 (2020)

How to register a Pinch Hitter:

Preferred method is to use the **Player Replacement** form (used for both HR Derby and Hockey) on the **Contact Page**. This form transmits all the information required in a standard format which is easy to read.

If the **Player Replacement** form can not be used you can send an email to mail@hr-derby.com

After clicking **Send** to submit your **Player Replacement** you will receive an automated reply. When I have retrieved your request you will then get an email acknowledgement noting the date the transaction will take effect. This second email may not be immediate as requests are retrieved as time allows.

Please do not send a "Thank you" email as it clutters the inbox!

Player Replacements take effect the Monday after the Sunday of the next scheduled update which are posted every two weeks. The season update schedule can be found on the **Reports Page**.

To take effect on the Monday involved a **Player Replacement** must be registered by **3:00 PM (CT)** of that Monday.

This **permanent, nonreversible Player Replacement Rule** can be used once during the season per entry.

The **Replacement Player** must come from the **same Group** as the **Replaced Player**.

Do not ask "Did I pick this player?" or for a copy of your entry. A **Pick Sheet** of all players picked by each entry is available on the **Reports Page**. This **Pick Sheet** is updated with **Player Replacements** when Reports are posted.
